Hi Shannon: My information indicates they went out on 8/31. I would suggest giving them until the end of the week; if you don't see them by then, let me know and I'll check into this further. Regards, Richard

We received the right-to-sue in the New Jersey case (Haley Evans). We were told that they were being issued for the Boston cases but haven't received the letters yet.

Thank you for the information you sent earlier today, Shannon. Back on the issue of Whole Foods, did you say you received the Right-to-Sue in one of the Boston cases? If so, could you let me know which one (last name of Charging Party) and the ones you're still waiting for? Regards, Richard
